

Always the Deepening

Always the Deepening
Fears and hopes upheld in worship
We are all one like pieces of a jigsaw
Patterns of our lives have come together
today
to form this mandala.

We speak with forms

Open to the Light

Vulnerable

Lasting.

Deep.

It will not tweet.

A wonderful word heard today: "*Permission*".

Joy in Art!

Rejoice...

... engage...

... expressing...

... unfolding ...

... revealing ...

and joining

into diverse

unity

without words

A chair in a silent room.

"I thank you God for most this amazing day".
