### **Leavening the Spirit**

This entertaining presentation by Tony and Alec in dialogue lasts about sixty minutes.

It will tell the stories of some of their Leaveners' music-making and will include recordings from their musicals, cantatas and oratorios.

For those Meetings wanting something different to enliven a monthly or local gathering, this is just what you've been looking for!

Just an appropriately positioned three-point electrical plug socket needed (although access to a good CD player welcomed).

Cost: rail fares from Eastbourne and London.

### **Makepeace Daly Turns the Tables**

This is an all-day Saturday singing workshop of new songs with an opportunity for those who don't sing to be creative with words.

The theme is our urgent social need to turn the world upside down.

Any number of participants are welcome but no fewer than 12 singers.

It requires a reasonably tuned piano or full-size electronic equivalent, such as a Clavinova.

It begins at 10am, after refreshments from 9.30am.

Lunch break, 1pm – 2pm: either bring-and-share or picnic.

At 5pm there will be an open-house presentation of the day's work.

Cost: £50 + rail fares from Eastbourne and London.  
An overnight stay may be necessary for the facilitators.
