Advertising Quaker Arts events

When you post events on the QAN website <http://quakerarts.net/events/>, please do so in good time to maximise publicity. Make sure you have included date, time, address and a contact or website for enquiries or bookings; do include an image if you can. These events are moderated so they will not appear instantly.

Any events on our website may also be publicised on the reverse of the new flyer, and/or in our adverts in *the Friend* - this ad will go out shortly. **Deadline for these ads is Wed May 8th.**

We hope that all this free publicity will help organisers of arts events (of all kinds) with Quaker connections link up with their potential audiences.

Loving Earth Project

This community textile project has got off to a good start, and will be part of the *Seeking Routes* exhibition at Swarthmoor Hall. **Everyone is invited to participate** - a great opportunity to engage with sustainability issues, perhaps with others, whether or not Quaker.
